

How Many Cupcakes Do We Need?

Let's Talk

In The Supermarket

May: **We need** some **fruit**, juice, and cupcakes **for** our **dinner** party tonight.

Mike: Dinner party? **I love it!** Who's **coming** tonight?

May: Our new friends, the Huang **family**.

Mike: OK. How **many** cupcakes do we need?

May: Twelve.

Mike: And how **about** the juice? How **much** do we need?

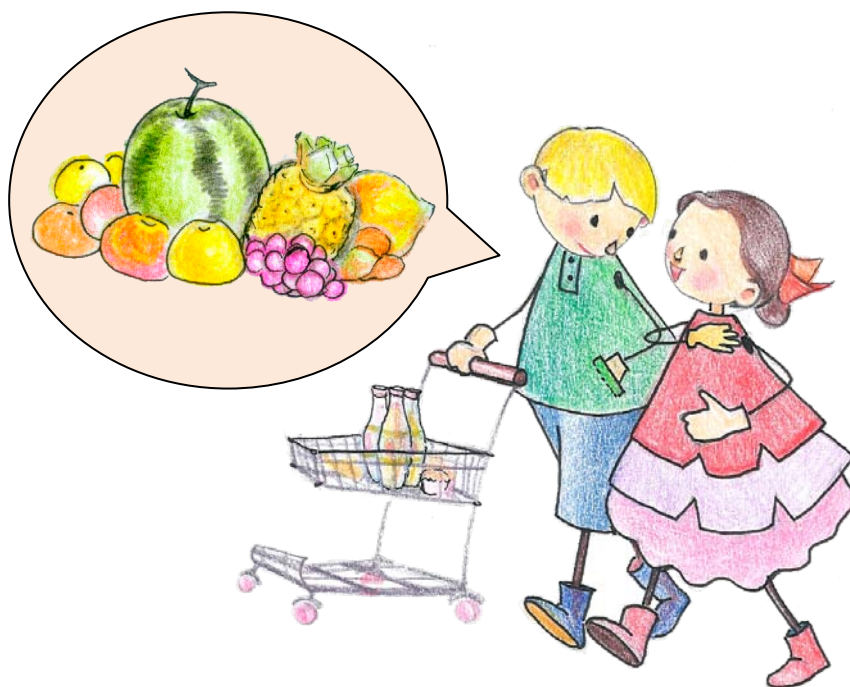

May: Two bottles. We also need some apples and bananas.
